Address: 148 Eastern Parkway

Saugerties, NY 12477

Due Date: June 20, 2022

	Qty	Client Price	Total
Remove underneath debris	1	\$2,100.00	\$2,100.00
Need to remove total approx. 60cyds of debris (from front & back) which is mixed with soil and underneath. Need to have an excavator for digging out the debris properly as it's not possible to remove the underneath debris by hand. **This is an eyeball estimated bid and we can not guarantee the amount of debris, but if we found that the cyds we mentioned are exceeding while removing-we will call from the site for further instructions to perform the work accordingly** Price provided for 60 cyds removals, if its more or less, the price will be adjusted for debris removal** Price: \$1500 & Excavator rental: \$600.00			
			Total: \$2,100.00
