

Property Preservation

WHAT IS PROPERTY PRESERVATION?

Property Preservation is the process of maintaining Exterior and Interior of the Property. The purpose of Property Preservation is to keep vacant properties secure, safe and well-maintained inside and out.

PROPERTY

Property is a thing or things belonging to someone, possessions collectively. But here we indicate Property as a home or other structures which are used for dwelling or other purpose. Usually we are work with Foreclosed Property of USA.

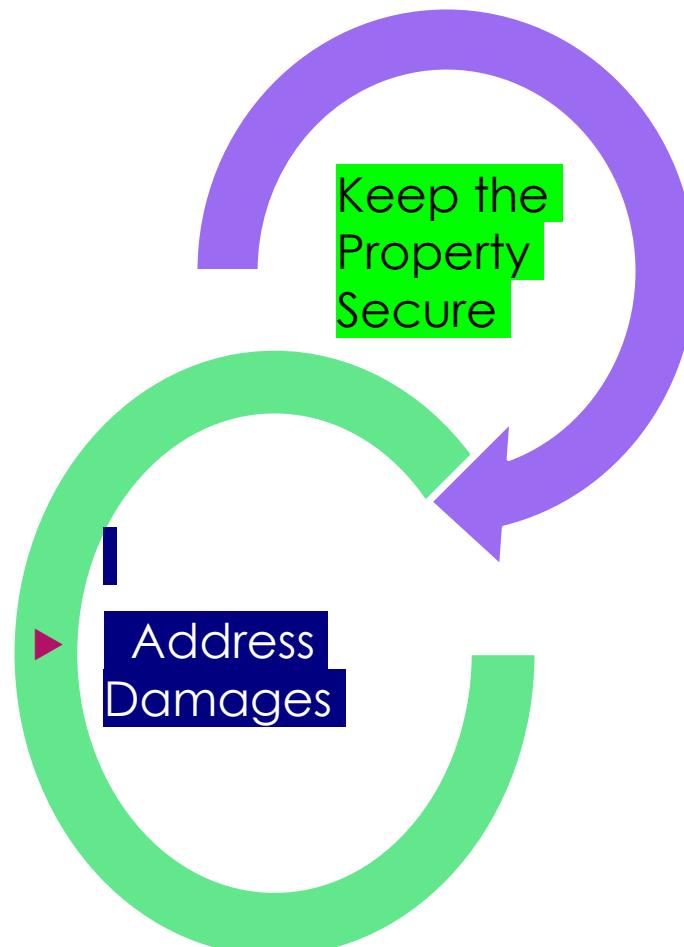

FORCLOSED PROPERTY

Foreclosure is the process by which a homeowner's rights to a property are forfeited because of failure to pay the mortgage.
